Estimated Income Tax Payment Voucher for Individuals

New York State • City of New York • City of Yonkers

IT-2105-I

Changes for 2005

Certain rates within the New York State and city of New York tax rate schedules have been reduced.

General information

Estimated income tax is the amount of New York State, New York City, and Yonkers tax you expect to owe for the year after subtracting:

- the amount of tax you expect to have withheld;
- the estimated income tax paid with Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*;
- the estimated income tax paid with Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*;
- the estimated income tax paid on your behalf by a partnership or S corporation; and
- the amount of any credits you plan to take.

If any of your income is subject to New York City or Yonkers resident income taxes or Yonkers nonresident earnings tax, substitute *New York City* or *Yonkers* for *New York State* in the following instructions to determine if you are required to make estimated payments of these taxes.

Who must make estimated income tax payments —

Generally, you must pay estimated income tax if you expect to owe, after subtracting your withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, estimated income tax paid on your behalf by a partnership or S corporation, and credits, at least \$300 of either New York State, New York City, or Yonkers tax for 2005, and you expect your withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, estimated income tax paid on your behalf by a partnership or S corporation, and credits to be less than the smaller of:

1. 90% of the personal income tax shown on the 2005 return, or
2. 100% of the personal income tax shown on the 2004 return (110% of that amount if you are not a farmer or a fisherman and the New York adjusted gross income shown on that return is more than \$150,000, or, if married filing separately for 2005, more than \$75,000).

However, if you did not file a 2004 tax return, or your 2004 return did not cover all 12 months, item 2 above does not apply.

Note: Do not include in your estimate any amount of sales or use tax you expect to owe on your 2005 personal income tax return.

When to pay your estimated income tax — Generally, you must make your first payment of 2005 estimated income tax by April 15, 2005. You can pay all your estimated income tax with the first voucher or pay it in four equal installments on April 15, June 15, September 15, 2005, and January 17, 2006.

Changes in income, deductions, or exemptions during 2005 may require you to amend your original estimate or to begin making estimated tax payments after April 15, 2005. Use the *Amended estimated income tax worksheet* on page 7 of these instructions to amend your original estimate. If you are required to begin making payments after April 15, 2005, the payment due dates are as follows:

If the requirement is met after:

March 31 and before June 1
May 31 and before September 1
August 31

Payment due date is:

June 15, 2005
September 15, 2005
January 17, 2006

If you file your 2005 New York State income tax return on or before January 31, 2006, and pay the full balance of tax due, you do not have to make any payment which would otherwise be due on January 17, 2006.

If, after March 31, 2005, you have a large change in income, deductions, additional taxes, or credits that requires you to start making estimated income tax payments, you should figure the amount of your estimated income tax payments by using the annualized income installment method explained in Publication 94, *Should You Be Paying Estimated Tax in 2005?*, and Form IT-2105.9-I, *Instructions for Form IT-2105.9, Underpayment of Estimated Tax by Individuals and Fiduciaries*, Worksheet 1 (and, if applicable, Worksheet 2 and Worksheet 3). Although your payment due dates will be the same as shown above, the payment amounts will vary based on your income, deductions, additional taxes, and credits for the months ending before each payment due date. As a result, this method may allow you to skip or lower the amount due for one or more payments. If you use the annualized income installment method, be sure to file Form IT-2105.9 with your 2005 tax return, even if no penalty is owed.

Farmers and fishermen — There is only one required installment date, January 17, if two-thirds or more of your federal gross income for 2004 or 2005 is from farming or fishing. You must either pay 66% of your 2005 tax by January 17, 2006, or file your New York State return by March 1, 2006, and pay the total tax due.

Fiscal-year filers — If you report your income on a fiscal-year basis, adjust the calendar year due dates to correspond with the fifteenth day of the fourth, sixth, and ninth months of your fiscal year, and the first month of your succeeding fiscal year.

Where to file — Mail your payment and Form IT-2105 to:

**NYS ESTIMATED INCOME TAX
PROCESSING CENTER
PO BOX 4122
BINGHAMTON NY 13902-4122**

Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to file your return and pay tax. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on page 8 of these instructions for information on ordering forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, address your return to: Bank One, NYS Tax Processing — Estimated Tax, 33 Lewis Rd, Binghamton NY 13905-1040.

How to complete the payment voucher — Enter the social security number of the primary taxpayer and the name code (first three letters of your last name), mark an **X** in the *Personal* box, and print the name and address in the spaces provided. If your vouchers are preprinted, correct any errors in your social security number, name code (first three letters of your last name), and filer classification (personal). To ensure that payments of estimated income tax are properly credited to you, this information must agree with the information on your New York State income tax return. Your social security number must agree with the number on your social security card. Your name must be spelled correctly, with your **first** name entered first on the voucher.

Fiscal year filers only — Enter in the fiscal-year box the date your fiscal year ends.

Enter the amount(s) due, as computed at the bottom of the *Estimated income tax worksheet* on page 6 of these instructions or line 6 of the *Amended estimated income tax worksheet* on page 7, in the appropriate space(s) on the voucher. Be sure to **separately enter** the amounts for New York State, the city of New York, and the city of Yonkers; then enter the total in the *Total payment* box. If there is **no amount** to be entered, **leave blank**. If you are entering a whole dollar amount (no cents), enter **00** to the right of the decimal. If you paid too much tax on your 2004 return and you choose to apply the overpayment to your 2005 estimated income tax, you may apply all or part of the overpayment to any installment. When computing the amounts to be entered in the *Record of estimated income tax payments* on page 8 of these instructions, you may apply an estimated overpayment of New York State, New York City, or Yonkers income tax to an estimated underpayment of New York State, New York City, or Yonkers tax. Enter only the **net** amount of each installment in the appropriate space(s) on the voucher. **Do not** send the voucher unless you are including a payment.

You may pay by check, money order, or credit card. Make the check or money order payable to **New York State Income Tax** and write your social security number and **2005 IT-2105** on it. Enclose the check or money order with the payment voucher and mail to the address shown on the front of the voucher. Please detach any check stubs before mailing your check and the voucher. If you pay by credit card, do not mail in this payment voucher. You will be charged a fee by the credit card service provider to cover the cost of the transaction. Credit card payments can be made by telephone or the Internet by contacting:

Please fill in the *Record of estimated income tax payments* section on page 8 so that you will have a record of your past payments.

Statement of account — If you pay New York State estimated income tax and you filed a New York State income tax return for 2003 using the same social security number, you will receive Form IT-2105-S, *Statement of Estimated Income Tax Account for Individuals*, as part of your estimated income tax packet. Examine

this statement carefully and follow the instructions for Form IT-2105.1, *Reconciliation of Estimated Income Tax Account for Individuals*, to resolve a discrepancy, if any.

If you do not receive an estimated income tax packet, you will not receive a statement of account (for example, if you did not file a New York State income tax return for 2003, or the social security number on your estimated income tax account does not match the social security number on the income tax return you filed for 2003). You should file your New York State income tax return claiming estimated income tax paid according to your records.

You can check your balance and reconcile your estimated income tax account by accessing our Web site at www.nystax.gov and clicking on *Electronic Services*.

Penalty for underpayment of estimated income tax — You may be charged a penalty for not paying enough estimated income tax, or for not making the payments on time. The penalty does not apply if each payment is timely and the total tax paid is:

- at least 90% (66% for farmers and fishermen) of the amount of income tax due as shown on your return for 2005; or 90% of the tax due if no return was filed; **or**
- 100% of the income tax shown on your return for 2004 (110% of that amount if you are not a farmer or a fisherman and the New York adjusted gross income shown on that return is more than \$150,000 or, if married filing separately for 2005, more than \$75,000) (you must have filed a return for 2004 and it must have been for a full 12-month year); **or**
- 90% of the income tax figured by annualizing the taxable income received for the months ending before the due date of the installment.

The penalty will not apply if you are a New York State resident (or a nonresident or part-year resident with New York source income) and you had no tax liability for the full 12-month preceding tax year.

To figure the penalty yourself, use Form IT-2105.9 and its instructions, Form IT-2105.9-I.
